Happy Birthday!

We are thrilled that you are choosing to host your Birthday Party at the Elmira Gymnastics Club, and are happy to provide the following suggestions to help make your party a huge success.

- Parties begin with 30-45 minutes in the party room, followed by 1 hour of supervised time in the gym. All food must be eaten during the first 45 minutes as you will not be able to return to the party room after gym time.
- Many families find that it is not necessary to decorate our colorful party rooms. The room will be available 15 minutes before your scheduled time.
- Remember to plan your 45 minutes in the birthday room. Common activities include eating cake & ice cream and/or pizza & drinks, singing, and opening presents. Keep in mind that it is often better to plan extra activities than to risk having idle time during the party.
- Please keep the children in the Birthday Room until a coach calls them into the gym.
- After the children are escorted to the floor, you will have 15 minutes to remove your items from the party room for the next party. Please see our desk staff if you would like assistance.
- A refrigerator is available, if you choose to bring ice cream or drinks.
