23 State Champion Teams
71 Individual State Champions

Dear Supporter,

Elmira Gymnastics Club is hosting our Elmira Spring Fling Gymnastics Meet on April 11-12, 2026. This is an annual tradition in our community, with gymnasts traveling from gyms across New York State to attend the competition. Elmira Gymnastics Club is proud to represent the area with 23 New York State Champion Teams and 71 Individual New York State Champions. With your support our local athletes will continue to shine.

We are asking local businesses to sponsor the Elmira Spring Fling meet. There are several options to sponsor the event and place an advertisement in the event program. The program will be given to each gymnast at the Spring Fling meet in April. The goal of our program is to provide encouragement to our gymnasts, helpful information to visitors, and a little education about our gym and our team. Our program has always been a wonderful source of information and keepsake due to local business support. In addition, profits from the event will help provide new equipment and special training programs for our gymnasts.

We are expecting over 1,000 visitors to come to our area for the Elmira Spring Fling meet this year. Annually these visitors have brought revenue to our local businesses throughout the meet weekend. Please consider sponsoring the event or advertising your business in our program.

The sponsorship opportunities are attached. We appreciate your consideration and thank you in advance for your support.

Regards,
Elmira Gymnastics Club Team Parents
